

## **Groundskeeper – Multiple Campus**

### **Hourly - Temporary Position**

### **Multiple Positions**

**April 2025 - October 2025**

Hello! We are Centre Street Church, committed to making an impact on people's lives, our communities and in the world. How do we do that? By leading people to Jesus and helping them become fully devoted followers of Christ. That's the driving purpose behind everything we do.

Though we are a large church, at our core we are a network of small communities. These small communities function as extended families that support and challenge one another through discipleship. All of these communities networked together make us united as one large church that gathers weekly for worship over 10 services across 5 campuses.

We are looking for a **Groundskeeper** to join us on this exciting journey God has us on.

If you have a heart for using your skills and abilities to make a difference in people lives, and are excited about how your experience can help us accomplish our mission of introducing people to Jesus and helping them become fully devoted followers of him, we would love to talk to you.
