

Compassion & Care

- Wisdom and grace as we navigate potential growth and space issues this fall/winter.
- A continued increase for opportunity in the outreach component of our ministry.
- That staff and volunteers would be unified in a common vision and purpose...to walk with the poor to a different outcome in their lives.

New Canadian Friendship Programs

A spiritual openness for the new, and returning, ESL students as the new semester starts. Please pray for Pastor Henry, Leadership Team, Board of Governor's and staff as we start the new ministry year.

Please pray for the Persecuted Church the world over. The atrocities being committed in the name of religion. Churches and homes of Christians being burnt, beatings and rape of Christian women.

Please pray for people who are going through various illnesses, that they would experience a touch from the Lord.

Pray for people who have lost their jobs, going through financial difficulties, through bereavement, children gone astray and health problems.

Pray for the Prayer movements around our country that would cause a revival to break out that would impact the lives of many who do not have a personal relationship with Jesus.

Praise God for all our congregants who made a commitment and recommitment to accept and follow the Lord Jesus. Please uphold them in prayer as they start this incredible journey with the Lord.
